

## Summer Newsletter - 2021

Dear all, we would like to thank you all for the support you have shown us throughout the pandemic. As we progress into the new academic year, let's hope for a return to a sense of normality!

### Summer Holiday Arrangements

If you would like to look at next academic year's calendar, click [here](#). A snapshot of the overlap (summer holiday period) can be seen below for ease of access.

KEY: IN-CENTRE LESSONS FLEXI LESSONS CENTRE CLOSED / NO LESSONS

During the summer holidays, we feel it important to maintain learning momentum so as to avoid the dreaded 'learning loss'. Consequently, we programme four weeks of Flexi lessons during the summer holidays for all students. Notwithstanding that, we do understand that some of you are considering leaving over the summer holidays. With that in mind, we feel obliged to remind you that session slots are automatically assigned on a first come first serve basis, so we cannot guarantee your original time-slot should you wish to re-register after the summer.

### Optional Summer Saturday School

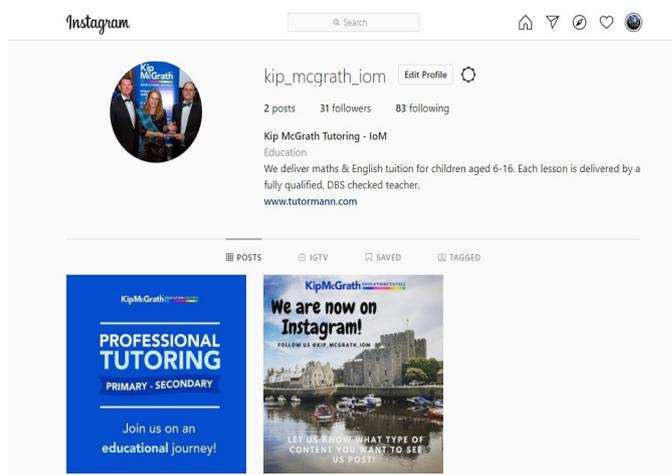

This year, we are looking at offering an **optional** series of In-centre Saturday lessons in August (subject to uptake). These **ONCHAN BASED** In-centre lessons would take place on Saturday the 14th, 21st and 28th of August, and would replace the currently scheduled summer Flexi Lessons for those who opt in. To register your interest in these summer Saturday sessions simply follow [this link](#) and we will get back to you in due course.
